

WASH YOUR HANDS

Stop the Spread

1

Wash your hands under warm water and apply enough soap to cover all hand surface.

2

Wash hands and forearms. Work lather over all parts of the hands.

3

Wash thumb, areas around the thumb and wrists, and between the fingers.

4

Wash hands for at least 20 seconds.

5

Rinse thoroughly. Remove all the traces of lather.

6

Dry hands with disposable towel. Turn off the tap with the towel and throw it away.
