Bulk Tear-Off Flyer Template

3.5" x 11" horizontal, perforation 2" from the right

RED = bleed: extend backgrounds to this line (1/8" past trim).
BLACK = trim: where the flyer is cut.
BLUE = safe area: keep text and logos inside it,
including 1/8" either side of the perforation.
MAGENTA dashed = perforation (tear-off line).
Hide or delete these guides before you upload.
Final file: PDF, 300 dpi, CMYK, with bleed.
